# FAQs FOR GI-KACE CODING FOR YOUTH(C4Y)

---

## What does GI-KACE do regarding Youth?

The Ghana-India Kofi Annan Centre of Excellence in ICT (AITI-KACE) is Ghana's first Advanced Information Technology Institute, which has been offering the most fun and effective IT programmes for kids and youth at large. Our team of ICT professionals and experienced instructors provide students with tailored hands-on skills to encourage creativity and innovation abilities, as well as develop a participant's critical thinking ability.

## What does the C4Y stand for?

C4Y is an IT program dubbed 'Coding for Youth' which is organized by GI-KACE for youth between the ages of 10- 18.

## What does the C4Y seek to achieve?

The Coding for Youth is designed to engage the youth in a thoughtful and meaningful world of technology, build their confidence in problem-solving and set them up for career opportunities in the future.

## What goes into C4Y?

C4Y is designed to have an interactive and fun session, fostering team building with intensive digital skills training.

## What does C4Y entail?

This program entails lucrative programs such as Robotics & IoT, Scratch & Python, Animation & Web Design, Graphic Design, Foundation of Artificial Intelligence with side attractions of Presentation, Project Defense, Team Building, Ideation and Do It Yourself (DIY) Activities.

## What C4Y requires you to bring?

Participants are requested to come along with a Note Pad or book, Pencil / Pen, Laptop & Laptop Charger (Optional)

## What is the duration of this Program?

This program is for **TWO WEEKS from 15<sup>th</sup> August- 26<sup>th</sup> August, 2022**

**Time:** 9am – 12noon

# FAQs FOR GI-KACE CODING FOR YOUTH(C4Y)

---

## Open Day for Parents

The 26th of August 2022 will be dedicated to the youth showcasing their projects to parents. The closing ceremony will be organized on the same day.

**NB:** The Centre will be open from 8am for your wards. We recommend that parents pick up their wards before 1:00 pm. Any delays will have to be communicated in advance to avoid any inconveniences.

## What is the venue for the C4Y?

The C4Y in Accra will take place at the premises of the Ghana-India Kofi Annan Centre of Excellence in ICT (GI-KACE) at Ridge, close to the Parliament House. Here is the google map link for your guidance. <https://goo.gl/maps/mjWcpn4om8fZX4Tg6>

## Will the ward have to stay over?

No. The ward will be required to report each day before or by 9am and leave the premises latest by 1:30pm each day.

## Will lunch be provided for them?

No provision for lunch will be made available to them. Parents are required to pack their ward's lunch and snacks in their bags. However, there is a canteen at the Centre where your ward can buy food.

## How much does C4Y cost?

C4Y costs **GHS 600**

**NB:** Early Bird Payment made before 10<sup>th</sup> August 2022, Group Discounts & Referrals will all attract a discount of GHC100, Thus **GHS 500 per head.**

## What are the outcomes of my ward participating in C4Y?

- They will improve their skills to work in a team
- They will receive a Certificate of Participation
- They will acquire fundamentals and practical knowledge on Coding, Programming and Robotics
- They will showcase their team project on the last day to all parents
